NADD Rules

Here are some basic rules. Most of the rules are very similar to what other dock diving organizations have. We have taken what people liked the best and put it all in one.

1. NADD will be having distance jumping (distance of the jump is measured by the base of the tail when the dog enters the water) and Air Retrieve. Air Retrieve is very similar to vertical but instead the bumper hangs 4ft from the water and moves out at 1 foot increments. Titles will be for both.
2. You have the option to use one or two handlers on the dock. You can put your dog on a sit and you throw the toy or you can have someone hold your dog and you throw the toy.
3. Two Classes: Open class for all size dogs and lap class for dogs under 16" at the withers. Now small dogs can achieve the same titles as the big dogs.
4. Jumps will be back to back.
5. Two minutes on the dock.
6. Dog must be 6 months of age. This is figured by months and NOT weeks.

Incredible Dog Arena Diving Dog Pool Usage Rules

- All dogs must be leashed, except when on the dock or in the pool.
- Tenting and crating for participating dogs should be set up in the grass area adjacent to the closest parking lot. No setup will be permitted on or around the bleachers or on the turf around the pool.
- Only event organizers approved by Purina Farms staff ahead of time are permitted in the rooms that house the main sound system and the pool filter room.
- Access to the sound system will be provided by a Purina Farms staff member at the start of your event. Either a hand held mic or wireless headset will be provided.
- Participants are asked to "clean up" after their own dogs. This includes staging and tenting areas, as well as the competition area.
- Participants are encouraged to leash their dogs immediately upon their dogs exiting the pool and then walking the dog back using the sidewalk on either side of the dock.
- No outside food or beverage allowed
- Parking is available at the outdoor agility field across from the Incredible Dog Arena and the lot in front of the Visitor Center. No parking around the Incredible Dog Arena. Parking is only allowed in designated spots.
