

Requesting submissions for the Goodwill Ambassador!!! The award will be presented at Nationals

Dogs are many different things to many different people, but once in a while a very extraordinary dog passes through our lives. He may have been the one dog that made an Alzheimer patient smile for the first time in years or a dog that lay at the feet of several shy preschoolers as one by one they gained the courage to read to the wonderful sweet dog. Maybe he is owned by a family member or a friend but if this special mini has touched the life of one person or a thousand people, we want to hear your story!

There is no act of kindness too small to submit, because the lives touched by our precious minis are all worth sharing. We will present every one of the stories at Nationals. The winning dog will be voted on by a team of volunteers, and will be honored during the Nationals events with a very special award. Mid America Miniature American Shepherd Club will be sponsoring this award for 2015. Eligible dogs must be registered as a Miniature American Shepherd. Entries due 7/1/15.

Send your stories and if possible include a few photos to
