We will do our best to coordinate with Three Rivers and the Gateway Cluster for your parking, so that you do not have to move from one show to the next. This will allow us to know how many will have RV's for the Nationals. **NOTE: Three Rivers & the Gateway Cluster have rights to the RV area, so MASCUSA has no say in who gets reservations & who does not. We are only here to coordinate the very best we can.** Please be sure to send in the individual forms to Three Rivers for the shows Preceding Nationals and to the Gateway Cluster for the shows after the Nationals. **NOTE: Those coming for Three Rivers will have priority over MAS reservations.**
