

## **Time To Have A Little Spooky Fun!**

### **Costume Conformation Class**

**This class isn't for the best looking dog, it is for the spookiest, funniest, most creative, most outrageous or ingenious dogs and owners. Grab a camera, a costume and a friend who doesn't mind being embarrassed.**

#### **NEMASC Costume Class Guidelines**

\*All participants must be in the ring at one time per category.

\*There will be one winner in each of the categories listed below with a prize for each category. \*There will be placement ribbons given for 1<sup>st</sup>-4<sup>th</sup> place for each category.

\*The judges decisions are final.

\*All dogs must be on a leash and under control.

\*Participants will be asked to move around the ring for inspection by the judge/judges.

\*Dogs must have a costume.

\*Handler may or may not wear a costume.

**Most Original Winner:** This is to be determined by the judge/judges as the costume that took the most thought and creativity.

**Most Outrageous Winner:** This is to be determined by the judge/judges as the costume that is the most comical, colorful, and "over the top".

**Best Pair Winners:** This is to be determined by the judge/judges as the best participants of two or more dogs with one handler in costumes with a unifying theme.

*Remember that this is solely for fun! Please do not stress your dog if it is not comfortable with a costume and remember the costume should not be constricting to the dog. Dogs's attitude will be considered in judging!*

NEMASC is sponsoring this fun class and providing all of the prizes! **North East Miniature Australian Shepherd Club - NEMASC**, MASCUSA/NAMASCUSA's first affiliate club, began in 2002, working hard on providing our members with seminars, fun days, clinics, educational events, conformation shows, and performance events! We also like sharing stories about our dogs in our quarterly newsletter, Bob Tails! So what could be more fun than spending time with people and letting them meet our Minis!

Memorial Weekend is our annual CPE Agility Trial Event in VT, it started in 2005 and is growing bigger and better every year! Come join us! Go to [www.NEMASC.org](http://www.NEMASC.org) for more information about this affiliate.
