*HERDING TITLED DOG	*HERDING TITLED BITCH

MASCUSA requires all dogs and bitches to be intact in order to be eligible to compete in Veterans Classes.

*Herding Titled class for intact dogs or bitches that have earned an AKC herding title. The following titles do not apply: Instinct test certificate and any other non-AKC title. Entries in this class may NOT be spayed or neutered.

BEST OF BREED COMPETITION

The following categories of dogs may be entered in this competition: Dogs that are Champions of Record. Dogs which according to their owners' records have completed the requirements for a championship but whose championships are unconfirmed. The showing of dogs whose championships are unconfirmed is limited to a period of 90 days from the date of show where a dog completed the requirements for a championship according to the owners' records.

JUDGES AWARD OF MERIT

The Judge at his/her discretion may select up to 2 dogs and 2 bitches (for Tuesday & Thursday shows) and up to 5 (for Saturday show) each of the superior quality Dogs and Bitches in addition to Best of Breed and Best of Opposite Sex to Best of Breed from the Inter-Sex Competition, Winners Dog, Winners Bitch, Veteran Dog, Veteran Bitch and Herding Titled Dog, Herding Titled Bitch.

BEST BRED-BY EXHIBITOR COMPETITION

RULES: During the course of regular judging, the assigned judge will select a Best Bred-By Exhibitor from the Bred-By Exhibitor class winners. This will be done after the Best of Breed/Variety Competition unless the Best Bred-By Exhibitor award is automatic. Example: An entry from the Bred-By Exhibitor class is awarded Best of Winners or Best of Breed. Only dogs and bitches undefeated in a Bred-By Exhibitor class are eligible for the Best Bred-By Exhibitor Competition. If the first-place winner is not present, the second-place winner may not compete. **NO ADDITIONAL FEE IS REQUIRED.**

NON-REGULAR CLASSES INVOLVING MULTIPLE DOG ENTRIES - NATIONAL SPECIALTY (FRIDAY) ONLY

Stud Dog Class – For Stud Dogs and two of their Get. It is not necessary that the Get be under the same ownership as that of the Stud Dog. The Stud Dog may be entered in one of the Regular Classes or, if a Champion of Record, in Best of Breed competition, but must be entered in the Stud Dog class. The Get must be entered in one of the Regular Classes or, if a Champion of Record, in Best of Breed competition. The Stud Dog cannot be shown as the Get for another Stud Dog. *The Stud Dog* shall be considered one entry and requires one entry fee. The Stud Dog must be shown in the ring with the Get. The class will be judged based on the merits of the Get. While the merits of the Stud Dog are not to be considered in the placement of the entry, the Stud Dog must be examined to determine if it has a condition that would require its disqualification or excusal under the dog show rules, AKC policy, or the standard of the breed.

Brood Bitch Class - same as for Stud Dog except substitute Brood Bitch for Stud Dog and Produce for Get.

**Chapter 11, Section 8 of the "Rules Applying to Dog Shows" provides that a neutered male may be entered as a Stud Dog in the Stud Dog Class and a spayed Bitch may be entered as a Brood Bitch in the Brood Bitch Class.*

Brace Class. A brace is defined as two dogs of the same recognized breed or variety that are similar in appearance, performing in unison, and presented by a maximum of two handlers (one or more common owners). The dogs comprising a Brace must be named at the time the entry is made. An entry form for a dog entered in another class and entered as part of a Brace must be marked accordingly in the space provided for "Additional Class" if more than one Brace is entered. Dogs may be evaluated on the floor or table.

As the judge's decision in the Non-Regular Classes involving Multiple Dog Entries is based on the merits of more than one dog or bitch, no one of the dogs or bitches making up the entry judged first in these classes will be eligible to compete for Best of Breed by virtue of having won these classes.

BEST OWNER HANDLER, BEST BRED-BY EXHIBITOR, BEST PUPPY (SAT ONLY), BEST VETERAN (SAT ONLY)

4 – 6 MONTH BEGINNER PUPPY COMPETITION – Tuesday, Thursday & Saturday

Male and female puppies four months and under six months will compete (may be separated by sex) with Best of Breed and Best of Opposite Sex only being awarded. Puppies are required to be vaccinated in accordance with their veterinarian's protocol in order to avoid inadvertent transmission of illness by/to puppies not yet fully immunized. AKC Rules in Dealing with Misconduct will be applicable to any person or dog entered at this competition. All applicable rules found in Rules Applying to Dog Shows will govern the conduct of this competition unless these regulations state otherwise. Exhibitors should plan on opening the mouth of their puppy to show dentition for the judge to avoid transmission of illness. Breed standard disqualifications for dentition, and AKC disqualifications for descended testicles shall not be a consideration in this competition.

JUNIOR SHOWMANSHIP

NOVICE CLASS: For boys and girls who are at least 9 years old and under 18 years old on the day of the show and who at the time entries close have not won three (3) first place awards, with competition present, in a Novice Class. A first place in Novice without competition leading to a Best Junior award with competition would count as one win towards moving to Open at a licensed or member show.

OPEN CLASS: For boys and girls who are at least 9 years old and under 18 years old on the day of the show, and who have won three first place awards in a Novice Class or if a win in Novice leads to a Best Junior with competition present it will count as one win towards moving to Open in a licensed or member show. Juniors which according to their records have completed the requirements to compete in the Open class but whose status is unconfirmed by the American Kennel Club are limited to competing in the Open Class for a period of 90 days from the date of the show where the Junior completed the requirements according to their records.

MASTER CLASS: This class will be for boys and girls who are at least 9 years old and under 18 years on the day of the show, and who have 10 Best Junior wins with competition. The calendar for this class will be consistent with the eligibility dates for the AKC National Championship. All Juniors meeting the criteria for this class are required to enter the Master Class and may change their entry the day of the show if entries have already closed. Once the eligibility time frame for that year has passed all participants return to the Open Class to compete for the following year.

NOVICE AND OPEN CLASS DIVIDED:

- **Junior**-9 years old and under 12 years old on the day of the show
- **Intermediate**-12 years old and under 15 years old on the day of the show
- **Senior**-15 years old and under 18 years old on the day of the show.

BEST JUNIOR HANDLER: Winners from each class will compete for Best Junior Handler.

NOTICE: Junior Handlers must include their AKC JUNIOR HANDLER NUMBER on each entry. You may obtain your junior identification number by calling the AKC, Judges Education Department, (919) 233-9767. BE SURE ALL INFORMATION for Junior Showmanship Classes is entered on front and back of entry form.

NOTE: SUBSTITUTION OF DOG IN JUNIOR SHOWMANSHIP AT THE SHOW(S): There will be an Administration Fee of \$5.00 charged for any substitution of dog in Junior Showmanship at each show. In addition, if the dog originally entered in Jr. Showmanship was an additional entry, and the dog being substituted is not otherwise entered in the show, the Junior Showmanship Only fee applies.

AKC National Owner-Handled Series

(Remember to check the box at the bottom of the entry form)

The AKC National Owner-Handled Series is a non-titling competition for dogs that are exhibited by their owners that are not professional handlers.

Exhibitors must declare their dog is Owner-Handled eligible at the time of entry using the check box on the entry form. Eligible dogs will be identified by an asterisk in the judge's book & the catalog. **Dogs must be handled throughout the breed level competition for the regular show by an eligible owner.**

Professional handlers, household members and current assistants to professional handlers may not exhibit the dog in this competition.**

Owner-Handled Best of Breed will be selected from the dogs that are eligible to compete in the Best of Breed competition including Winners Dog, Winners Bitch and undefeated winners of the non-regular classes. This excludes all dogs defeated during class and winners competition for the regular show.

- If the Best of Breed/Variety winner is Owner-Handled competition eligible, it will automatically be Owner-Handled Best of Breed/Variety.
- If the Best of Breed/Variety winner is not eligible for Owner-Handled competition and the Best of Opposite Sex to Best of Breed/Variety is eligible, the Best of Opposite Sex to Best of Breed/Variety will compete against the eligible exhibits of the other sex to determine Owner-Handled Best of Breed/Variety.
- If neither the Best of Breed/Variety nor the Best of Opposite Sex to Best of Breed/Variety are Owner-Handled competition eligible and Select Dog & Select Bitch are both eligible, the judge is to choose Best Owner-Handled exhibit from the Selects and eligible Winners Dog or Winners Bitch.
- If one of the Selects is eligible, excuse all Champions and non-regular class winners of the same sex and then choose Best Owner-Handled exhibit from the remaining dogs of the opposite sex including the eligible Winners.
- If Best of Breed/Variety, Best of Opposite Sex to Best of Breed/Variety, Select Dog & Select Bitch are not eligible, the judge may choose any eligible dog who competed in Best of Breed/Variety including Winners Dog or Winners Bitch as the Best of Breed/Variety for the AKC National Owner-Handled Series.
- If the Best of Winners is eligible, the other Winner is ineligible since it was defeated.
- No class dogs other than the Winners Dog & Winners Bitch are eligible to return to the ring.

* Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years.

**A current assistant is defined as anyone employed by a professional handler on a full-time basis, or, assisting a professional handler at the show or any show during the cluster/weekend.

2023 National Specialty

Most Versatile Miniature American Shepherd 2023 MVMAS Rules

PURPOSE: The Most Versatile Miniature American Shepherd (MVMAS) Competition offered at a MASCUSA National Specialty recognizes those dogs that exemplify the true meaning of the word versatility by successfully competing in herding and companion competitions while meeting the AKC Miniature American Shepherd Breed Standard in the Versatility Conformation class.

ELIGIBILITY: Open to all AKC registered Miniature American Shepherds, including altered dogs and bitches. AKC PAL/ILP dogs are ineligible. Bitches in season will be allowed to compete as dictated by AKC Rules and Regulations. Bitches in Season are not eligible to compete in Agility, Obedience or Rally according to AKC Rules and Regulations. They are eligible to compete in Herding and Versatility Conformation. Refer to the premiums for additional information.

REQUIREMENTS: To qualify in the Most Versatile Miniature American Shepherd Competition, a dog must:

- Earn a qualifying score in the Versatility Conformation class of 50 or greater.
- Earn a score in one of the Herding Test or Trial classes as set forth below.
- Earn a qualifying score in at least one of the Companion classes (obedience, rally or agility). Although one qualifying companion score is required to qualify, a dog may receive up to 3 scores, one qualifying score from each of the 3 companion categories.

Only scores from events designated as MVMAS qualifying events in the Nationals Premium will count.

SCORING: Only qualifying scores in Conformation, Herding, Obedience, Rally and Agility will be counted (with the exception of Herding Test/Trial classes as noted in the rules).

All dogs must compete at their most recent competitive level.

There will be an entry fee of \$25.00 for the Most Versatile MAS Conformation Evaluation.

This entry fee for the MVMAS Class will be paid with any other conformation entries that you may have. In addition, the MVMAS Entry Form must be filled out and submitted by the deadline to ensure being listed as entered in MVMAS in the catalog. The Form is used to gather information for the catalog and to prepare scoring sheets. All other entries will be processed according to the event premiums.

CONFORMATION: This class will be held at a time and place designated by the National Specialty Show Committee. All dogs competing for the versatility awards will be judged against the AKC Miniature American Shepherd Breed Standard. One judge, who is eligible to judge or who has judged conformation, will judge the class. Details on ring procedure will be included in the premium each year.

MVMAS Score will be computed as follows for a qualifying score:

- The conformation raw score given by the judge – maximum 110 points
- Minimum score of 50 to qualify

MVMAS Conformation Ring Procedure

At the beginning of the MVMAS conformation evaluation, all entrants will enter the ring together in catalog order. (at judge's discretion) The judge will ask them to go around the ring and then each dog will be evaluated individually. There may be more than one handler allowed for each dog if needed. Each entrant will receive a Conformation Class Score Sheet signed by the Judge. You will be instructed as to the final ring procedures by the judge at the briefing.

HERDING TESTS & TRIALS: (Instinct, Herding and Pre-Trial Tested, and/or Herding Trials, including Started/Intermediate/Advanced, Stock Sheep/Cattle/Duck, and Course A/B/C/D). If a dog is entered in both Trial and Tested classes, only the highest of either tested points or regular trial score (including bonus) will be used. If a dog qualifies on more than one type of stock, only the highest score (including bonus) will apply.

MVMAS Tested Scores will be computed as follows for dogs PASSING the test:

- Instinct Test: 30 points
- Herding Test: 40 points
- Pre-Trial Test: 50 points

MVMAS Trial Scores will be computed as follows:

- Started raw score
- Intermediate raw score + 5 points
- Advanced raw score + 10 points

Non-Qualifying scores from the "Trial" classes will be used for a dog not retired or removed. If a dog is retired or removed from a class and has proof of an existing AKC Herding title or certificate from the class immediately below that in which it is participating, on the same type of stock, the dog will be given credit for its herding capability by receiving points as outlined below.

MVMAS who are existing AKC Herding Title/Certificate holders, who are retired or removed, will be computed as follow: Please submit proof of prior herding titles/certificates with your MVMAS entry.

- Herding Test Participant with Instinct Certificate: 35 points
- Pre-Trial Test Participant with Herding Tested Title: 45 points
- Started Participant with Herding Pre-Trial Title: 55 points
- Intermediate Participant with Started Title: 55 points
- Advanced Participant with Intermediate Title: 55 points

When there are separate trials or courses for the different types of stock, (sheep, duck and cattle) these will be treated as 1 trial for MVMAS purposes. If a dog qualifies on more than one type of stock, the highest score will apply, with additional points awarded for the additional qualifying score(s). Only the highest score from the combined trials will count for MVMAS with the additional bonus points for qualifying on a second (2nd) type of stock.

Additional qualifying score points will be computed as follows:

- Started 5 Bonus points
- Intermediate: 7.5 bonus points
- Advanced: 10 bonus points

Dogs may not repeat the instinct test just to qualify for MVMAS.

Note: If there is an injury to stock, it will result in a 0 score regardless of title, unless the stock handler and the facility, Do NOT deem it to be the dog's fault.

OBEDIENCE: 50% of highest qualifying score, including bonus, from a Regular or Preferred class. (Beginner Novice, Novice A/B & Preferred Novice, Open A/B & Preferred Open, Utility A/B & Preferred Utility).

MVMAS Scores will be computed as follows (only qualifying scores will be used):

- Beginner Novice: 50% of raw score
- Novice and Preferred Novice: 50% of raw score + 4 points
- Graduate Novice: 50% of raw score + 6 points
- Open and Preferred Open: 50% of raw score + 8 points
- Graduate Open: 50% of raw score + 10 points
- Utility and Preferred Utility: 50% of raw score + 12 points

RALLY: Highest Qualifying score, including bonus, from a regular class (Novice A/B, Intermediate, Advanced A/B, Excellent A/B or Master).

MVMAS Scores will be computed as follows (only qualifying scores will be used):

- Novice: Raw score
- Intermediate: Raw score + 3 points
- Advanced: Raw score + 6 points
- Excellent: Raw score + 9 points
- Master: Raw score + 12 points

AGILITY: Highest qualifying score, including bonus, from a Standard (STD) or Jumpers with Weaves (JWW) class, Regular or Preferred. MVMAS Scores will be computed as follows (only qualifying scores will be used):

- Excellent: raw score + 8 points
- Master: raw score + 12 points

Excellent	80-94
Superior	95-110

CATEGORY: APPEARANCE

General Appearance: The Miniature American Shepherd is a small size herding dog that originated in the United States. He is slightly longer than tall with bone that is moderate and in proportion to body size and height without extremes. Movement is smooth, easy, and balanced. Exceptional agility combined with strength and stamina allows for working over a variety of terrain. This highly versatile, energetic dog makes an excellent athlete with superior intelligence and a willingness to please those to whom he is devoted. He is both a loyal companion and a biddable worker, which is evident in his watchful expression. The double coat of medium length and coarseness may be solid in color or merled, with or without white and/or tan (copper) markings. He traditionally has a docked or natural bobtail.

Size, Proportion and Substance: Size: Height for dogs is 14 inches up to and including 18 inches at the top of the withers. Height for bitches is 13 inches up to and including 17 inches at the top of withers. Deductions (see below): under 14 inches and over 18 inches for dogs; under 13 inches and over 17 inches for bitches. The minimum heights set forth in this breed standard shall not apply to dogs or bitches under six months of age. Proportion: Measuring from the point of the shoulder to the point of the buttocks and from the highest point of the shoulder blade to the ground, he is slightly longer than tall. Substance: Solidly built with moderate bone in proportion to body height and size. Structure in the dog reflects masculinity without coarseness. Bitches appear feminine without being slight of bone.

Coat: Moderation is the overall impression of the coat. Hair is of medium texture, straight to wavy, weather resistant, and of medium length. The undercoat varies in quantity with variations in climate. Hair is short and smooth on the head and front of the legs. The backs of forelegs and breeches are moderately feathered. There is a moderate mane and frill, more pronounced in dogs than in bitches. Hair may be trimmed on the ears, feet, back of hocks, pasterns, and tail, otherwise he is to be shown in a natural coat. Untrimmed whiskers are preferred. Severe Fault: Non-typical coats.

Color: The coloring offers variety and individuality. With no order of preference, the recognized colors are black, blue merle, red (liver) and red merle. The merle will exhibit in any amount, marbling, flecks or blotches. Undercoats may be somewhat lighter in color than the topcoat. Asymmetrical markings are not to be faulted. Tan Markings: Tan markings are not required but when present are acceptable in any or all of the following areas; around the eyes, on the feet, legs, chest, muzzle, underside of neck, face, underside of ear, underline of body, under the base of the tail and the breeches. Tan markings vary in shades from creamy beige to dark rust, with no preference. Blending with the base color or merle pattern may be present on the face, legs, feet, and breeches. White Markings: White markings are not required but when present do not dominate. Ticking may be present in white markings. White on the head does not predominate, and the eyes are fully surrounded by color and pigment. Red merles and reds have red (liver) pigmentation on the eye rims. Blue merles and blacks have black pigmentation on the eye rims. Ears fully covered by color are preferred. Severe Fault: White markings covering over 25% of an ear. White markings may be in any combination and are restricted to: the muzzle, cheeks, crown, blaze on head, the neck in a partial or full collar, chest, belly, front legs, hind legs up the hock and may extend in a thin outline of the stifle. A small amount of white extending from the underline may be visible from the side, not to exceed one inch above the elbow. The hairline of a white collar does not exceed the withers at the skin. If a natural undocked tail is present, the tip of the tail may have white. Deductions (see below): Other than recognized colors. White body splashes, which means any conspicuous, isolated spot or patch of white on the area between withers and tail, on back, or sides between elbows and back of hindquarters.

Temperament: The Miniature American Shepherd is intelligent, primarily a working dog of strong herding and guardian instincts. An exceptional companion, he is versatile and easily trained, performing his assigned tasks with great style and enthusiasm. Although reserved with strangers, he does not exhibit shyness. He is a resilient and persistent worker, who adjusts his demeanor and arousal appropriately to the task at hand. With his family he is protective, good natured, devoted and loyal.

2023 Ultimate Performance Miniature American Shepherd Rules

Ultimate Performance Miniature American Shepherd

The Ultimate Performance MAS competition is offered to showcase the amazing abilities of the Miniature American Shepherd. Unlike the traditional MVMAS program, Ultimate Performance Miniature American Shepherd changes from year to year, depending on which events are offered. A Miniature American Shepherd is attentive and animated, showing strength and stamina combined with unusual agility, which allows for working over a variety of terrain. This highly versatile, energetic dog makes an excellent athlete with superior intelligence and a willingness to please those to whom he is devoted. Dogs must be AKC registered Miniature American Shepherds to participate.

New dog sports may be added in the future to further demonstrate the amazing abilities of the Miniature American Shepherd. Hosting clubs must offer at least 3 events.

ULTIMATE PERFORMANCE Miniature American Shepherd SCORING

To qualify for the Ultimate Performance MAS (UPMAS) in 2023, one must qualify in at least 3 of the following categories (any level including instinct) at Nationals: AKC Herding Instinct/Test/Trial, AKC Agility, AKC Obedience, AKC Rally, AKC Scent Work, UpDog, and AKC Fast Cat. If your dog has a herding instinct test, you may not repeat Herding Instinct for the purposes of this competition.

Placements will be awarded for 1st – 4th, and all UPMAS qualifiers will receive a special award. The 1st Place winner will earn the title “Ultimate Performance Miniature American Shepherd”. If the 1st place Ultimate Performance MAS is also the 1st place dog for MVMAS, they will be given the Iron Dog award. Iron Dog prize to be sent after Nationals, as there may or may not be a winner each year.

Point Calculation: Points are totaled from all event categories offered.

If there is a tie, the 1st tiebreaker is to take the most categories with a Q, 2nd tiebreaker is to take the highest Herding score, 3rd tiebreaker is to take the fastest Herding time and 4th tie breaker is the number of classes entered.

A scorekeeper/chairperson will be assigned by MASCUSA or the Hosting Club. Scores will be available for exhibitors to double check as soon as practicable after each eligible competition is completed. It is the owner/handler's responsibility to check the scores as posted, and report to the UPMAS chairperson any discrepancy no later than Thursday November 9, 2023 8:00 PM. Discrepancies may only be filed by the handler for the event where there is a discrepancy. The UPMAS awards will be presented at the Award Ceremony. Judges placements/decisions for all events are final. Awards for UPMAS are final once presented. The UPMAS Chairperson will keep records for at least 1 year after the event.

ULTIMATE PERFORMANCE Miniature American Shepherd ENTRANTS

Ultimate Performance MAS entrants must be AKC registered, and 6 months of age as of the 1st day of the competition. Individual events may have additional age criteria.

Event Categories – only the highest score for each category will be used. Dogs must compete at their most recent competitive levels, in each event. Dogs may not repeat herding instinct, for a herding score to count.

SPECIAL ULTIMATE PERFORMANCE MAS RECOGNITION

Participating in the Ultimate Performance MAS is an adventure in itself. A certificate will be awarded to recognize and encourage the following participants/dogs in addition to regular awards listed above: Junior Handler Awards - The handler must show the dog in all events in order to be eligible for Junior Handler awards. Multiple handlers may handle the dog for Veteran.

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.
